Case No. C05-1706L

ORDER DENYING MOTION
TO CONVERT PRELIMINARY

INJUNCTION

This matter comes before the Court on plaintiff's motion to convert preliminary injunction to a final permanent injunction. (Dkt. #103). Plaintiff requests that a preliminary injunction be converted to a final injunction. The Court, however, denied plaintiff's previous motion for a preliminary injunction. Accordingly, the Court DENIES plaintiff's current motion (Dkt. #103) as moot and without merit.
